WORKING ON COUNCIL'S WATER AND SEWER INFRASTRUCTURE

ST125

F22

OBJECTIVE

To accredit Contractors whom are suitably qualified, licensed, insured and experienced to work on Orange City Council's Water and Sewer infrastructure.

APPLICABILITY

This policy applies to Council, Council employed Contractors, Developers, Civil Contractors and Plumbers where work is to be undertaken on Council's water and sewer infrastructure.

GENERAL

Council will permit appropriately Accredited Contractors to work on its Water and Sewer Infrastructure according to Councils Procedures.

The term 'accredited' refers to a contractor who has been granted accreditation by Orange City Council to either:

- Extend or alter any Orange City Council sewer or water asset, or
- Repair or replace any Orange City Council sewer or water main, either on behalf of Orange City Council or as part of an approved development.

Table of Amendments

Date	Comment
October 2015	Changes to allow accredited contractors to work on Council's water and sewer assets, rather than all works to be undertaken by Council.
