RE: BCO Addendum for Orange LEP Amendment 13 - Clergate Hills

Hi Craig,

Contents noted.

The council resolution from 2016 as previously conveyed to OCC would still stand. It read in part that council would not support any *“sub regional planning proposal that is not in accordance with the current endorsed sub regional rural and industrial land use strategy”*.

Should OCC be seeking further consideration by Cabonne council- by way of formal resolution, perhaps it would be worth OCC considering addressing Cabonne councillors at their monthly workshop meeting to brief them on the PP, or a written request for council consideration (rather than staff comment).

The GM's PA, Robyn Little, would be the contact for requests to address the councillor workshop.

Regards  
HJN

**Subject:** BCO Addendum for Orange LEP Amendment 13 - Clergate Hills

Dear all

Please find attached an updated version of the BCO addendum in relation to the Planning Proposal for the Clergate Hills / former Abattoir site rezoning. The Department of Planning have requested that this be circulated to Blayney and Cabonne for comment prior to the matter moving to the public exhibition phase.

It would be greatly appreciated if this could be reviewed as a matter of urgency, with comments returned prior to Anzac day.
