

In accordance with Sections 25 and 26 of the Government information (Public Access) Act 2009 (“GIPA”) Orange City Council must keep a record called its “Disclosure Log” that records information about Access Applications made to Council that Council decides by deciding to provide access (to some or all of the information applied for) if the information is information that Council considers may be of interest to other members of the public.

The Disclosure Log is continuously updated as Access Applications are processed and released under the GIPA Act.
