

**NB Please be aware the plans are not too scale and actual setup will need to be mapped out based on the scale of the tables and infrastructure used.**

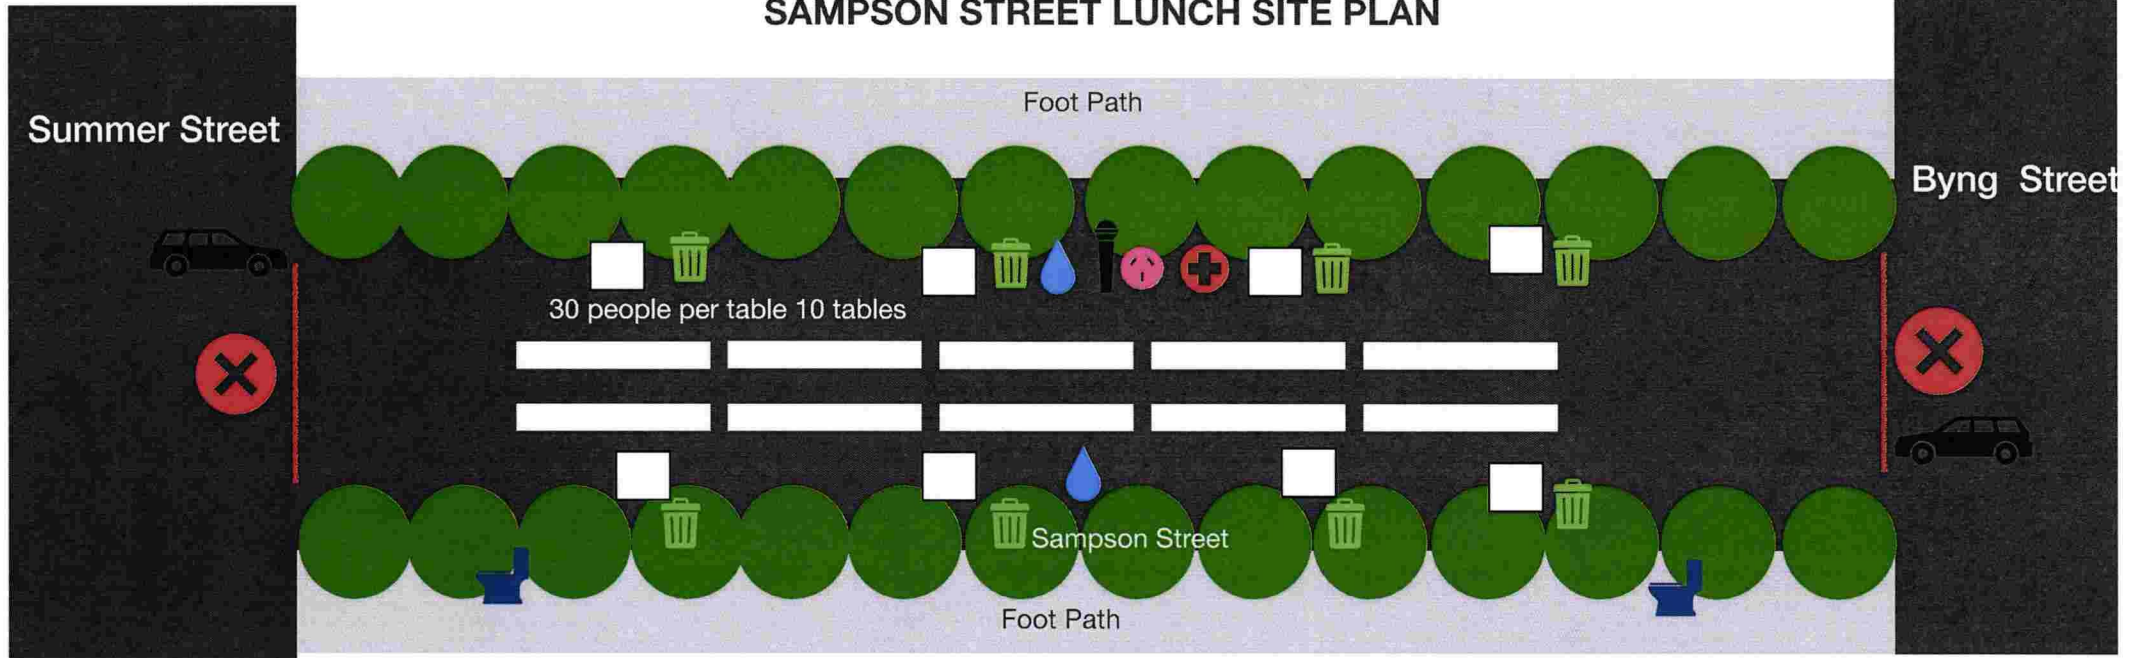

- All infrastructure will be brought in and removed on the same day.
- Portaloos, will be discretely partitioned off to ensure they are not visible to you or the guests.
- A Covid safety plan will be in place
- All guest will be ticketed and accounted for.

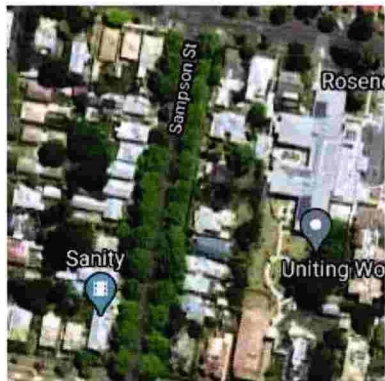

# SAMPSON STREET FOOD WEEK LUNCH 2021

# SAMPSON STREET LUNCH SITE PLAN

300 Metres

- |  |                            |  |                                    |
|--|----------------------------|--|------------------------------------|
|  | Exit                       |  | Portaloos - 5 at each end          |
|  | Vehicle Access if required |  | Fete Stalls - food prep at serving |
|  | First Aid                  |  | Tables 5 trestle tables joined     |
|  | Power                      |  | Water Stations                     |
|  |                            |  | PA system                          |
