

EXPRESSION OF INTEREST FORM HOST VENUES

Future Tunes is moving indoors.

The outdoor Future Tunes music gigs held over Summer and Autumn in Robertson Park attracted hundreds of people and some great musicians.

Due to the weather in Orange over the cooler months, Council is looking to move the Future Tunes events into local businesses within the CBD.

Council plans to organise indoor events on the last Friday evening of each month.

Council will pay the entertainment costs for musicians to play at nominated venues.

At this early stage in planning, we're seeking Expressions of Interest from CBD business owners who would like to host a musician or local band.

Council will work with the nominated businesses to choose musicians suited to each establishment.

If you're keen to be involved please fill out the attached form and email it to council@orange.nsw.gov.au or drop a copy into Council's Customer Service counter at 135 Byng Street.
